TALE OF A "PERSONAL"

A Middletown Man Who Took a Show "Ad" Seriously

In anticipation of the coming of the Real Widow Brown to this city, he had made advance payment, in order to start up an interest in widows, married the following "personal" advertisement in the Argus a space in this paper.

A young and beautiful widow of education and refinement, possessing an ample fortune, wishes to correspond with an elderly gentleman of means, a trifler or young man, who needs a wife. Address N. B. care of the Matrimonial Times, New York.

At least one resident of Middletown took the advertisement seriously, and seemed to see in the advertisement an opportunity to settle himself for life for his wife's B. as follows.

Middletown, N. Y., July 28, 1899.

S. B. care of The Matrimonial Times.

Noticing your personal in the Press of last evening I would say in response that I am an elderly gentleman of fifty years of age, and her on my side, but I am longwinded and feel that I would like to share the balance of my days in comfort and pleasure with an associate that would appreciate a happy home.

I am in perfect health and do not know what sickness I would be pleased to correspond with you if you feel so inclined. Respectfully yours.

Of course the name of the longwinded man is withheld and every one will sympathize with him in missing the expected opportunity to make himself comfortable for life, but if he shows up at the census tomorrow night we're no doubt that Manager Hathaway will give him a seat in a box and a chance to see The Real Widow Brown, which is the next best thing to winning the hand of a rich widow with an ample fortune and a number of young men and girls.

THE CONVALESCENT HOME.
Managers Need \$200 to Keep It Open Till Sept. 11.

At the regular meeting of the Convalescent Home board of managers held at Midway Park Tuesday evening it was decided to keep the home open until Monday Sept. 11.

The treasurer reported that about \$200 would be needed to do so in addition to what was now in the treasury, and an appeal was made upon the members to the public for funds to carry out this work.

Two especially deserving cases were reported at the home with the lot of children now there, both children having been ill and badly in need of the fresh air and healthy food so generously provided at the home. It was decided to allow them to stay in another two weeks or longer if necessary to have them restored to health and strength.

Many thankful letters are received from mothers whose little ones have been restored to health by the opening of this home and it should not be allowed to close its doors a day sooner than the board of managers think best because of lack of funds.

Money can be kept with any number of the board of managers or with A. P. F. Rinehart, general secretary of the Y. M. C. A. Any amount no matter how small will be appreciated and it means the giving of health to some little one who is too poor to pay for an outing in the country.

PICKPOCKET'S VICTIM
Certificate of Deposit Stolen from N. B. Spencer.

The First National Bank was notified Tuesday by N. B. Spencer, a State Hospital patient, that a certificate of deposit of \$100 issued to him by the bank Sept. 1, 1888 had been stolen from him Monday by a pickpocket at the O and W station.

The certificate of deposit has not been presented at the bank and payment of it will be refused if it is presented.

BROKEN REIN CAUSE A ROAD WISHP.
When William Williams of Waldorf A. Williams was driving in the vicinity of the State Hospital Tuesday afternoon one of his horses broke while he was going at a good clip. The horse swerved out of the roadway and the wagon was upset. Mr. Williams escaped injury and the horse was stopped before any damage was done.

Perils of the Lawn Mower.
James M. Miller of Watkins avenue, was mowing his lawn last evening, when the knives of the machine became clogged with a piece of cloth which was concealed in the grass. While he was attempting to remove the cloth the knife slipped and cut off the tip of the third finger of Mr. Miller's hand. Dr. Purdy dressed the wound.

Money in the Jam Pot
An industry applicable to women is suggested by Miss J. H. North, of Greenwich, N. Y., who successfully maintains a jam kitchen. Miss North started her kitchen six years ago. She keeps seventy bands during the busy season, and uses hundreds of tons of jam. There is a hat in this for some ambitious and wide-awake Middletown woman.

Needle in a Ballo's Body.
A peasant woman, who had been sewing, stuck a needle into the bosom of her dress and picked up her evening bag. The needle penetrated the baby's body, sinking entirely out of sight in the flesh. A physician had to be called in order to find and remove it. The doctor said it barely missed piercing a vital organ.

THE WALKING MATCH

Watched by Many Interested Spectators

LEADERS ALL IN A BUNCH.

Kept Close Together from Start to Finish—Race Was Hot and Over Nine Miles Was Covered by the Leaders.

The walking match attracted a very large crowd to Midway Park Tuesday evening. The eight contestants who were on the track when Monday evening's racing closed all lined up for the start and all raced for all they were worth. The men showing that considerable amount of ground was covered than on the first night.

The three leaders, Mikko, Rockafellow and Moore, kept close together, and when we were one mile from the end, the winner was that they finished as they had begun, all in a bunch.

The evening's racing was somewhat marred by the breaking of the trolley wires, which caused the lights to go out at frequent intervals, but the runners who had learned the way, kept on in darkness just the same as if it had been light.

The scores for last night and the total scores are:

Mikko 9-2 17-3
Rockafellow 9-2 17-3
Moore 9-2 17-3
Jones 8-12 10-11
Stem 9-0 10-10
Mougarque 8-10 10-11
M. Wornouth 6-1 11-7
Boval 7-10 11-6

Manager Starratt has changed the prizes so as to encourage more contestants to remain in the race. The prize will now be divided as follows: \$25 \$10 \$5 \$3 and \$2.

He said that he had run away from his home in Goshen, N. Y., and had started on to Elmira, traveling. He said that he had a nickel, but had given it to a man in Goshen and he was sent to this city, and turned over to him.

HYMENEAL.

Haskins-Green.

Albert O. Haskins, of Rutherford, N. J., and Miss L. Katheryn Green, only daughter of Mrs. Anna Green, were married in Grace Church at 2 30 o'clock, this afternoon, in the presence of a large company of relatives and friends. The ceremony was performed by Rev. David J. Evans. The church had been most beautifully and tastefully decorated for the occasion by Bartholomew, the color scheme being pink and white.

The bride was attended by Miss Linn A. Vernon, of Florida, and the best man was John I. Collard, of Rutherford. The bridesmaids were Philip G. Whitlock and Harvey DeWitt, of this city.

The bride was given away by her cousin, Mr. Cox. Harvey Wickham, the church organist, officiated at the organ, playing Mendelssohn's and the Lohengrin wedding marches.

The bride wore a perfect fitting tailor-made gown of two broad lots with hat to match, and carried a bouquet of lilacs of the valley. The maid of honor wore a rich gown of old blue broadcloth. Her bouquet was white carnations.

Mrs. Haskins graduated from Walkkill Academy in 1892 and since September of that year has been one of the teachers in the Beattie Hall School. She has made a most excellent record, and her severing of her connection with the school is a distinct loss to the city's educational interests. Mrs. Haskins has been a popular figure in Middletown's social life, and she takes with her to her new home the best wishes of a very large circle of friends.

Mrs. Haskins was for a time a draughtsman in the office of the Hogen Boiler Company here, and is now connected with the American Radiator Company, of New York city.

Mr. and Mrs. Haskins left town immediately after the ceremony on Erie train 4 at 3 o'clock. Their wedding journey will be of two weeks' duration. They expect to visit Lake George, Boston and points in Vermont. On their return they will reside in a home which Mr. Haskins has in readiness for his bride on Irving Place in Rutherford.

HYMENEAL NOTES
—Philip S. Haskins, a former member of Port Jervis Board of Trustees, and Mrs. Elizabeth Z. Haskins, married at the bride house in Port Jervis Monday evening. They went to the City Hall on their wedding journey.

OBITUARY.
Harvey J. Hopkins.

We are pleased to announce the death this morning, of Harvey J. Hopkins, at Goshen, N. Y., of Goshen county, N. Y. The announcement is a severe shock to a large circle of friends, though the knowledge of his serious condition was known to many. Diabetes developed about two years ago, and since that time every means has been employed here and elsewhere to day it progressing, but without avail. Last week expressing a desire to see his earliest friends and relatives with his mother he went to Goshen, where the end came at the home of his mother, Frank H. Hopkins, surrounded by his father, mother, sister and other immediate relatives. The funeral will be held Friday in Norwich, N. Y.

Harvey Hopkins was the only son of Mr. and Mrs. Chas. H. Hopkins of Goshen. He was born twenty-one years ago in Norwich and came to Middletown in 1890 when his father was transferred to the superintendency of the Ontario and Western in Middletown. Entering Walkill Academy he was graduated in the class of '97. By his many lovely and attractive traits he endeared himself to all. Universally loved, universally lamented, the only consolation at this time is the fact that he was fully prepared and ready to accept the decree of his Maker.

The most heartfelt sympathy of a large circle of sorrowing friends goes out to his mother, sister and sister Alice.

THE QUEEN'S SPEECH

Made at Prorogation of Parliament To-day

THE SOUTH AFRICAN TROUBLE.

Her utterances on this subject direct and significant—Glad That the Peace Conference Did Nothing—Morry It Didn't Do More.

BY ASSOCIATED PRESS.

LONDON, Aug. 9.—The Queen's speech at the prorogation of Parliament, to day, contained the following statements: "The conference to consider measures for promoting the maintenance of peace has completed its sittings, and although the result of its deliberations did not fully correspond with the lofty aim which it was summoned to accomplish, it met with considerable measure of success. The institution of a permanent tribunal of arbitration cannot fail to diminish the frequency of war, while the extension of the Geneva convention will mitigate its horrors."

The position of my subjects in the South African republic is inconsistent with the promise of equal treatment whereon my grant of internal independence to that republic was founded, and the unrest caused thereby is a constant source of danger to the peace and prosperity of my dominion in South Africa. Negotiations on this subject have been entered into and are still proceeding."

TERRIBLE TRIPLE TRAGEDY.
Suicide Follows Murder of Husband and Daughter.

BY ASSOCIATED PRESS.

CLEVELAND, Ohio, Aug. 9.—A terrible triple tragedy occurred three miles east of this city, last night, resulting in the death of Edward J. Klinger, his wife and three-year-old daughter.

A neighbor to day discovered the three dead bodies lying upon a bed in their home. Mrs. Klinger evidently had first shot her husband and daughter with a shotgun and then had tried to commit suicide by gassing the victim in her wrist with a knife. This apparently proved too slow or too painful for the woman had put a third charge in the gun and then shot herself in the heart.

Klinger was but 25 years of age and a farm laborer. Latterly he has been drinking quite heavily and frequent quarrels took place between him and his wife.

CHICAGO PLATFORM DEMOCRATS
Fifty Persons Present at State Convention and a Lively Fight On.

BY ASSOCIATED PRESS.

SYRACUSE, Aug. 9.—The Chicago Platform Democrats met, to day, with about fifty in attendance. A fight was precipitated on the floor with the anti-trust and anti-imperialism factions on one side and the ultra free silver faction on the other.

Samuel Odell of Auburn and Austin Wheeler of Geneva led the fight for the anti-trust people and Thomas W. (ant-trust) of Albany and Jay W. Forest, of Niagara Falls led the silver side.

The substance of the resolutions introduced by Odell declares for maintaining war on trusts and imperialism as paramount issues in the campaign of 1900 and demands that United States senators be elected by direct vote of the people.

WEST MAIN STREET PAVING.
A Very Large Force at Work—Not an Easy Job.

A large force of men, under Street Superintendent Reed, is at work, to day, paving West Main street for the brick paving. The job is anything but an easy one for the street was transformed into a regular stone quarry when it was macadamized, ten years or more ago, and the removal of the rocks and stones requires much time.

The Traction Company also has a large force at work getting its tracks up to grade and doing other necessary work and altogether the street presents a very busy appearance.

OFFICIAL CITY PAPER.
WEDNESDAY, AUG. 9, 1899.

Chairman Odell, of the Republican
State Committee, announces that from
now on he will be found during the day
at the Republican headquarters. At
night he will be found at the Hotel
Hotel, to sit at the feet of Platt and
receive his orders.

The prisoners in the Steuben county
jail's chain gang, who refused to work
more than eight hours a day, seem to
have the law on their side. If eight
hours make working day on public
work outside a jail's doors, there is no
reason why the same rule shouldn't
apply inside the jail.

Under the provisions of a law which
was passed last winter, James Dalton,
of New York city, a former convict, has
filed a claim against the State. He al-
leges that while in prison he was com-
pelled to clean and wash horse-hair, and
that as a result of such work he con-
tracted blood poisoning, by which his
hands are permanently ruined. He
wants \$25,000.

Speaker Reed, who is in England, finds
that country "fully as prosperous as the
United States." This must surprise Mr.
Reed, for it is part of his political creed
that whatever measure of prosperity
the United States enjoys is the direct
result of the Dingley tariff, and, believing
this, he must find it difficult to account
for the prosperity of free-trade England.
Perhaps when he returns to this country
Mr. Reed will be candid enough to
admit that the causes of national pros-
perity lie deeper than tariff enactments.

The Columbia outlasted the Defender
in Tuesday's race of New London, beat-
ing her four minutes and one second over
a thirty mile-course. The victory brings
up the hopes of American yachtsmen, but
it was not decisive enough to make them
cock sure that the American cup will re-
main in this country. If the stories of
the Shamrock's wonderful speed are
half-way true it seems certain that this
year's race will be the closest contest in
which British and American yachts ever
engaged.

Three attendants in the Manhattan
State Hospital are locked up in the
Tomb on suspicion of having caused the
death of a violent patient who re-
sisted when an attempt was made to
subdue him. The accused men may
be brought to trial on Wednesday, but
whether innocent or guilty, the
fact remains that it is very seldom that
charges of this kind are made against
attendants in the State hospitals for the
insane. When it is remembered that
there are thousands of patients in the
State hospitals and that year after year
goes by without even rumors of bur-
ghers or violence in the treatment of
the insane it will be realized how strictly the
rules are being followed, and how con-
sideration in the care of the State's unfor-
tunate wards are enforced by superin-
tendents and managers.

An American gambler, suspecting that
the insurgents had occupied the tower of
Pinar, took flight without giving warning
to point the escape of his men and arms.
He was not so fortunate in his flight, and
the only victim of this last attempt to
bring the blessings of civilization
home to the Philippines was a little boy.
The natives had been induced to return
to the town under assurances that they
would be safe there, and the inevitable
effect will be to fill their minds with dis-
trust and hatred of Americans. Our
army officers in Manila are said to re-
gret the "mistake." Which seems like a
smallish "mistake" in this distance.
It certainly was a violation of the rules of
civilized warfare to fire without warn-
ing on an inhabited town.

Small-Pox Up the State.

Small pox is breaking out again in
various parts of the State, and Secretary
Smuelzer of the State Board of Health
says that it is due to the persistence of
physicians in diagnosing the cases as
chicken pox. If these physicians would
only rely on the experience of the official
connected with the State Board, there
would be fewer small pox cases in the
State to-day. Dr. Smuelzer says, The
latest cases reported are at Corto, Cayuga
county, and Seneca Falls, Seneca county.

An Empty Sack Cannot Stand Upright.

Neither can poor, weak, thin blood
nourish and sustain the physical
system. For strength of nerves and
muscles there must be pure, rich,
vigorous blood. Hood's Strychnine

blood and its many remarkable cures
and the fact that it does every body good
who takes it, prove it is just what you
need if you are weak and languid.

BUSY TIMES AT TUXEDO PARK

Over 1,000 Men at Work There and
More Are Needed.

Tuxedo Park is a busy place, to-day,
than it was in the days when Piers
Landlord first began to transplant the
wilderness into a most attractive place
for temporary or permanent residence.

Many public improvements are in
progress. A new hotel, building in
way and a great deal of building is
being done. The new buildings include
many cottages and a winter hotel, which is
cost a very large sum.

It is said that over 1,000 men are at
work in the park, and there is room for
many more skilled mechanics and un-
skilled laborers. The contractor for the
club house has advertised several times
for bricklayers at \$3.50 a day without
sewing the help he needs, and it has
not been possible to secure laborers
enough to finish work of various kinds
as rapidly as is desired.

WRIT OF HABEAS CORPUS.

Secured by a Mother Who Wants Pos-
session of Her Child.

Philip Gray, of Wallen, and his wife
could not agree and parted, Gray keep-
ing their four-year-old child. He ar-
ranged for its board in the Newburgh
Home for the Friendless. When Mrs.
Gray learned that the child was in the
Home she went there and demanded
that it be given to her. The officers of
the Home refused to do this and she ob-
tained from Judge Barnard a writ of
habeas corpus to secure possession of
the little one. The case will be heard
Friday.

Mrs. Gray has also caused her husband's
arrest on the ground of non-support.

Walkill Valley Farmers' Outing Day

The Walkill Valley farmers are holding
their annual outing, to-day, at Wallen.
The attendance is very large. The day's
programme is an interesting one and in-
cludes the following addresses: H. W.
Nanny, of Goshen, "The Walkill Valley
and Its Part in the War of the Revolution";
E. M. Rattoburn, Newburgh, "Thoughts by the Wayside"; H. W.
Collingwood, New York, "The Agricul-
turalist in National Life." A number of
the State's road department will also
speak on good roads.

Horse Breaks Its Leg.

From the Goshen Independent.

Jefferson Wilson, who lives on the
John Mondell farm, in the town of Hamp-
denburgh, lost a horse in a peculiar man-
ner Monday. The horse had been turned
out in a field near the house, and the
first thing the animal did was to take a
roll on the ground. In doing so he rolled
over a slight rocky ledge, breaking one
of his front legs. Mr. Wilson ended the
life of the horse.

Shot a Filipino.

Charles R. Stahl, of Katrine, Ulster
county, who is a member of Co. K, 13th
U. S. Infantry, has written to friends in
Kingston that he let daylight through
a Filipino sharpshooter, who was pop-
ping away at American pickets from the
shelter of a tree. Private Stahl says
that he located the fellow and put him
out of business with neatness and
despatch.

Good Times in Newburgh.

From the Sunday Telegram.

One house that we know of can be
bought for \$500, outright, although it is
mortgaged for \$1,000, and \$200 was
paid out for repairs a short time ago.
Another house was sold the other day
for less than the breaks are worth. There
are two sides to this "good times" talk.

TELL ABOUT IT.

A Middletown Citizen is Pleased to do
it for the Benefit of Others.

When you know a good thing, tell it.
It will not lessen its goodness.
But will do good to others.
There's more misery just like it,
There are lots of lame backs in Mid-
dletown.

It's a busy place and backs are used.
There's primary trouble to a large ex-
tent.
Cold affects the kidneys.
The kidneys are the cause, not the
cure.

Keep them in shape and life is life.
Don't let kidney pills do perfect work.
Any doctor knows only.
Here's a case of it:

Mr. Benjamin P. Conkey, of 17 Be-
aure Ave., says: "Although I had often
heard of the small of my back, ordinary
trouble gave me no end of annoyance,
inconvenience and distress. Think of it,
I was forced to get up during the night
a dozen of times, and I I might add,
every half hour in the day I had to use
the latrine. My wife procured Doan's
Kidney Pills at J. E. Miller's drug store,
thinking they might help me. They did,
and I went for more. I have not a trace
of backache, and I am satisfied that the
cure has been taken place."

Doan's Kidney Pills are for sale by all
dealers; price 50 cents per box, or sent
by mail on receipt of price. Foster-Mil-
burn Co., Buffalo, N. Y., sole agents for

I tried the MYSTIC CURE FOR RHEU-

THE SECRET DOSSIER

The Court Examines It Be-
hind Closed Doors.

PRESS AND PUBLIC FAVOR ACCUSED.

The Distinguished Prisoner Still In
a Dazed Condition and Unable to
Requite the Situation.

RENNES, Aug. 9.—Maitre Demange,
the principal counsel for Captain Dreyfus,
expresses himself as well satisfied with
the proceedings thus far. Colonel
Jouanet had to play the part of a severe
judge, but his voice was rude and his
manner commanding and the prisoner
did not even argue as to the facts of the
case, but pressed home the points raised by
the indictment.

M. Choinin, the custodian of the fa-
mous secret dossier, said it would take
four days to examine it, as the examina-
tion would be behind closed doors and
most of the witnesses have gone to the
seaside, General de Boissiere to Dinard
and General Dienne to Paris. General
Mercier remains here, the guest of Gen-
eral Saint-Germain, who tells his friends
to be prepared for sensational evidence
to be produced by Captain Dreyfus and many
others with him.

M. Cavagnac talked at Le Mans on
his way here. He held he expected two
coups de theatre. We now hear that one
he will be an appeal by General Billot
that he will call on the court and ask
Dreyfus a traitor because he was
misled. The other will be Mercier driven
to bay. The latter will issue from this
trial ruled if Dreyfus is acquitted. He
intends to throw a searchlight on the
councils of the Dupuy government,
which he says was in 1894, and
to show what diplomatic wires were pulled
between the arrest of Dreyfus and his
embarkation for Cayenne. Mercier re-
fuses to be interviewed. He looks bowed
down from care.

General Billot, on the other hand, seems
to have a new lease of life. He is
extremely reticent as, indeed, are
all the witnesses of note.

The counsel for Dreyfus met yester-
day at his wife's residence the heads of
the Dreyfus family and consulted on
the present aspect of the affair. They
went over the dossier and examined the
documents of the secret dossier in the
judge's room. They do not see any possi-
bility of repeating the judgment of 1894.

Dreyfus was greatly fatigued after the
opening order. He asked anxiously what
the press and public thought and was
told that there was no general opinion
yet. This is true. The representatives of
Nationalist journals here who judge
harshly in print express admiration for
the unflinching constancy he has dis-
played.

Dreyfus, a member of his family re-
sides, has not yet put on his life. Van
Winkle feeling. He was lost, as he put
it. He remarked to his wife that he was
astonished to find himself watched by
the whole world or its proxies, though he
showed no sign of astonishment. He was
a heap by the searching and
as he thought of the examination, of-
ficial of the president of the court martial. He
expected more formal proceedings.

The Marine Band Will Attend.

PHILADELPHIA, Aug. 9.—The man-
agement of the national export expo-
sition and international commercial con-
gress yesterday decided announce-
ment from Washington that permission
had been granted the famous United
States Marine band by the secretary of
the navy to come to Philadelphia on
Sept. 14 to spend the day at the expo-
sition, and to remain a period of two
weeks. As the band is the official musical
organization of the navy and under the
direction of the president, it was neces-
sary that Mr. McKinley sanction the
project before the organization could
leave Washington.

Revolt on Comoro Island.

ZANZIBAR, Aug. 9.—Great Comoro
island is in revolt. The governor of
the island has been assassinated, and the
residence is besieged. A gulet has
been ordered to assist the island author-
ties in restoring order. Great, or Grande,
Comoro, otherwise Anzania Island, is
the principal island of the Comoro Isles,
about 200 miles from the east coast of
Africa. The population of the group is es-
timated at about 50,000 souls, mostly Ma-
homedans. The islands form part of
the French colonial possessions.

Chamberlain's Proposed Deal.

CAPE TOWN, Aug. 9.—A dispatch
from Pretoria, capital of the South Afri-
can Republic, says the volksraad has de-
clined to agree to the suggestion of Mr.
Joseph Chamberlain, British secretary of
state, to the effect that the franchise
which the Transvaal franchise reform
will have on the outsiders should be in-
quired into by a joint commission. The
reply to Mr. Chamberlain's proposal of a
joint commission of inquiry has not yet
been received. The Transvaal govern-
ment is still deliberating. Various ru-
mors are current regarding the result of
the secret sessions of the volksraad, but
no official announcement has been made.

Machine Guns For Ohio.

WASHINGTON, Aug. 9.—The war
department is making every effort to
comply with General Otis' recent re-
quest for a number of machine guns in
order that they shall reach him in time
for the campaign expected to open with
the entry of the United States army into
the Philippines. The department has de-
clined not to send to the Philippines the
Sims-Dudley guns, but will continue the
selection to the types now in use in the
army.

Aster Cannot Become a Peer.

LONDON, Aug. 9.—Mr. Henry Labouch-
ere says in Truth: "The rumor that
Mr. William Walpole Aster will soon be
raised to the peerage assumes what is im-
possible. A peer would destroy the power
of William III. He deprives the crown of
the power of conferring the rank of peer
on naturalized aliens. It was enacted
because the king was converting too
many Dutch republicans into British
peers."

Carnegie Will Not Accept Office.

LONDON, Aug. 9.—Mr. Carnegie tele-
graphs from Skibo castle, saying: "I
am not prepared to accept the office of
justice of the peace or of the deputy
lieutenancy. I understand these of-
fices are usually held by the owner of
the Skibo estates. In my case they are
only honorary, being an American citi-
zen."

Increased Pay In Colliery.

HAZLETON, Pa., Aug. 9.—B. Mar-
ble has increased the wages of their
400 striking employees of the Colliery
from \$2.25 to \$2.65 per day. If the
present prosperous conditions continue,
there will be a general increase of wages
at surrounding collieries.

Order of American Mechanics.

NEWBURGH, N. Y., Aug. 9.—The New
York state council of the Order of United
American Mechanics is in session here.
Delegates and proxies and visitors num-
ber 300. The lodges of many cities and
villages of the state are represented.

A Body In the Whirlpool.

NIAGARA FALLS, Aug. 9.—The body
of a man, supposed to be Robert O'Shea,
the hotel porter who jumped from the
cathedral roof in the Niagara falls, can be
seen floating in the whirlpool a short distance
below the bridge.

ALLIANCE BETWEEN CHINA AND JAPAN.

spondent of The Daily Mail says the
Italian government has received positive
confirmation of the report that China and
Japan have concluded an alliance.

President Meek at Rio Janeiro.
RIO DE JANEIRO, Aug. 9.—The Argen-
tine squadron exercises President Meek
of the Argentine Republic has arrived

arranged in honor of President Meek.

NEW YORK'S POLICE

Some Daring Testimony Before
the Grand Jury.

NEW YORK, Aug. 9.—A large num-
ber of persons ready to give detailed ac-
counts of robberies which have occurred
in Greater New York during the past
few months appeared before the Grand
jury yesterday. The session was a very
part of the grand jury's work, and
contributed. About 30 witnesses were ex-
amined of the large number of persons
empaneled. Attorney Moss contending
himself with an explanation that he did
not care to pursue that line of inquiry
further as the evidence was of a purely
corroborative and cumulative nature.

Mr. Moss opened the session by stating
that he would attempt to show by the
records of the police department that
there had been a large increase in the
number of robberies and burglaries in
this city recently, and that it was the
result of what has been called the "wide
open policy." Mr. Moss also asserted
that there was an absolute increase be-
tween the precinct books and the records
at headquarters; that the precinct books
did not even agree as to between them-
selves; that the names and addresses of
persons reporting robberies to the police
were not infrequently incorrect.

Once in awhile a witness was willing
to say a good word for the police, but in
the main the evidence did not appear to
credit much credit upon the city author
